About PDL BioPharma

Throughout its history, PDL's mission has been to improve the lives of patients by aiding in the successful development of innovative therapeutics and healthcare technologies. PDL BioPharma was founded in 1986 as Protein Design Labs, Inc. when it pioneered the humanization of monoclonal antibodies, enabling the discovery of a new generation of targeted treatments that have had a profound impact on patients living with different cancers as well as a variety of other debilitating diseases. In 2006, the Company changed its name to PDL BioPharma, Inc.

As of December 2019, PDL ceased making additional strategic transactions and investments and is pursuing a formal process to unlock the value of its portfolio by monetizing its assets and ultimately distributing net proceeds to stockholders in the form of cash or equity. On August 19, 2020, PDL announced at the Company's 2020 Annual Meeting of Stockholders approval by stockholders for a Plan of Dissolution authorizing the Company to liquidate and dissolve the Company in accordance with the Plan of Dissolution.
