#### Item 7.01 Regulation FD Disclosure.

Press Release

On September 6, 2012, PDL BioPharma, Inc. (the Company) issued a press release with revenue guidance for the third quarter ending September 30, 2012. A copy of the press release is attached hereto as Exhibit 99.1.

Detailed Product Sales, Royalties and Manufacturing

On September 6, 2012, the Company distributed to analysts covering the Company's securities and posted to its website a summary of certain information underlying the Company's receipt of royalty payments (the Information Sheet) to assist those analysts and its stockholders in valuing the Company's securities. The Information Sheet is based on information provided to the Company by its licensees and includes reported net sales revenues by licensed product, royalty revenue by licensed product and where certain licensed products are manufactured and sold. A copy of the Information Sheet is attached hereto as Exhibit 99.2

### Limitation of Incorporation by Reference

In accordance with General Instruction B.2. of Current Report on Form 8-K, the information in Item 7.01 of this report, including Exhibits 99.1 and 99.2, is furnished and shall not be deemed to be "filed" for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. Such information will not be deemed an admission as to the materiality of any such information that is required to be disclosed solely by Regulation FD.

#### Cautionary Statements

This filing, the press release, the Information Sheet and the Company's statements herein and in the attached press release include and constitute "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we can give no assurance that such expectations will prove to be correct. Important factors that could impair the Company's royalty assets or business and limit the Company's ability to pay dividends, purchase revenue generating assets and take other corporate actions are disclosed in the "Risk Factors" contained in the Company's 2011 Annual Report on Form 10-K, as updated by subsequent quarterly reports, filed with the Securities and Exchange Commission on February 23, 2012. All forward-looking statements are expressly qualified in their entirety by such factors. We do not undertake any duty to update any forward-looking statement except as required by law.

### PDL BioPharma Provides Third Quarter 2012 Royalty Revenue Guidance of \$85 Million

INCLINE VILLAGE, NV, September 6, 2012 – PDL BioPharma, Inc. (PDL) (NASDAQ: PDLI) today announced royalty revenue guidance for the third quarter ending September 30, 2012, of approximately \$85 million, as compared with actual royalty revenue of \$83 million for the third quarter of 2011, a two percent increase.

The forecasted growth in royalty revenues is driven by increased second quarter 2012 sales of Herceptin®, Lucentis® and Xolair® for which PDL receives royalties in the third quarter of 2012. Third quarter revenues will include royalties on second quarter sales of Perjeta®, which was approved in the U.S. on June 8, 2012. Sales of Avastin®, Herceptin, Lucentis, Xolair and Perjeta (the Genentech Products) are subject to a tiered royalty rate for product that is made or sold in the United States and a flat royalty rate of three percent for product that is manufactured and sold outside of the United States (ex-US manufactured and sold). The net sales thresholds and the applicable royalty rates for the Genentech Products are outlined below:

Genentech Products Made or Sold in US	Royalty Rate
Net sales up to \$1.5 billion	3.0%
Net sales between \$1.5 billion and \$2.5 billion	2.5%
Net sales between \$2.5 billion and \$4.0 billion	2.0%
Net sales exceeding \$4.0 billion	1.0%
Genentech Products Made and Sold ex-US	
Net sales	3.0%

The third quarter royalty payment received from Genentech included royalties based on worldwide sales.

Revenue guidance for the third quarter of 2012 is net of an estimated payment due under our February 2011 settlement agreement with Novartis AG (Novartis). PDL pays to Novartis certain amounts based on net sales of Lucentis, made by Novartis, during calendar year 2011 and beyond. The amount paid is less than we receive in royalties on such sales.

Roche reported that in 2012 Herceptin global sales growth was driven by expanded access in developing countries, increased and improved HER2 testing and continued uptake in HER2-positive gastric cancer. Additionally, Roche reported that sustained double-digit increases in sales of Herceptin were recorded internationally. Reported worldwide sales for Herceptin increased one percent in the second quarter of 2012 when compared to the same period in 2011. Ex-U.S. manufactured and sold Herceptin sales represented 37 percent of total Herceptin sales in the second quarter of 2012 as compared with 43 percent in the second quarter of 2011.

Reported worldwide sales for Lucentis increased four percent in the second quarter of 2012 when compared to the same period in 2011. Lucentis is approved for the treatment of age-related macular degeneration (AMD) in the U.S. and Europe. Lucentis received approval for the treatment of macular edema following retinal vein occlusion (RVO) in June 2010 in the U.S. and in June 2011 in Europe. Lucentis received approval for the treatment of visual impairment due to diabetic macular edema in January 2011 in Europe and in August 2012 in the U.S. All sales of Lucentis were from inventory produced in the U.S.

Roche reported Avastin global sales were driven by an uptake in Japan for treatment of non-small cell lung cancer and metastatic breast cancer, and an increase in the EU related to the launch in ovarian cancer and increased share in metastatic breast cancer. Previously, Roche had reported a decline in sales in the U.S. due to reimbursement uncertainty regarding the metastatic breast cancer indication, which was revoked by the U.S. Food and Drug Administration in November 2011, and that U.S. market share for all other indications remained stable. Reported worldwide sales for Avastin decreased 2 percent in the second quarter of 2012 when compared to the same period in 2011.

Reported worldwide sales for Tysabri were flat for the second quarter of 2012 compared to the same period in 2011. Tysabri royalties are determined at a flat rate as a percentage of sales regardless of location of manufacture or sale.

The sales information presented above is based on information provided by PDL's licensees in their quarterly reports to the Company as well as from public disclosures made by PDL's licensees.

#### **About PDL BioPharma**

PDL pioneered the humanization of monoclonal antibodies and, by doing so, enabled the discovery of a new generation of targeted treatments for cancer and immunologic diseases. Today, PDL is focused on intellectual property asset management, investing in new revenue generating assets and maximizing the value of its patent portfolio and related assets. For more information, please visit www.pdl.com.

NOTE: PDL BioPharma and the PDL BioPharma logo are considered trademarks of PDL BioPharma, Inc.

#### Forward-looking Statements

This press release contains forward-looking statements. Each of these forward-looking statements involves risks and uncertainties. Actual results may differ materially from those, express or implied, in these forward-looking statements. Factors that may cause differences between current expectations and actual results include, but are not limited to, the following:

- · The expected rate of growth in royalty-bearing product sales by PDL's existing licensees;
- · The relative mix of royalty-bearing Genentech products manufactured and sold outside the U.S. versus made or sold in the U.S.;
- The ability of our licensees to receive regulatory approvals to market and launch new royalty-bearing products and whether such products, if launched, will be commercially successful;
- · Changes in any of the other assumptions on which PDL's projected royalty revenues are based;
- · The outcome of pending litigation or disputes;
- · The change in foreign currency exchange rate; and
- · The failure of licensees to comply with existing license agreements, including any failure to pay royalties due.

Other factors that may cause PDL's actual results to differ materially from those expressed or implied in the forward-looking statements in this press release are discussed in PDL's filings with the SEC, including the "Risk Factors" sections of its annual report filed with the SEC. Copies of PDL's filings with the SEC may be obtained at the "Investors" section of PDL's website at www.pdl.com. PDL expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in PDL's expectations with regard thereto or any change in events, conditions or circumstances on which any such statements are based for any reason, except as required by law, even as new information becomes available or other events occur in the future. All forward-looking statements in this press release are qualified in their entirety by this cautionary statement.
